Gift of Hope

Coordinators will also be able to order Gifts of Hope by the box of 10 or 50 bunches, for delivery to a designated American Cancer Society Hope Lodge[®]. So instead of – or in addition to – taking home bunches of daffodils, you may have them shipped directly to a Hope Lodge to brighten the day for a cancer patient!

If you would like to purchase a Gift of Hope, please follow the Daffodil Days Hope By The Bunch ordering guidelines to place a separate order, and simply enter your preferred Hope Lodge location's address in the delivery area. Should a Hope Lodge facility receive more than it can distribute, the Society will share the bunches with local cancer centers.

What is Hope Lodge?

Facing cancer is hard. Having to travel out of town for treatment can make it even harder. The American Cancer Society has a place where cancer patients and their caregivers can find help and hope when home is far away – the American Cancer Society Hope Lodge.

Each Hope Lodge offers cancer patients and their caregivers a place to stay when their best hope for effective treatment may be in another city – at no cost to them! Not having to worry about where to stay or how to pay for lodging allows guests to focus on getting well. Hope Lodge provides a nurturing, home-like environment where guests can retreat to private rooms or connect with others. Every Hope Lodge also offers a variety of programming, socialization activities, resources and information about cancer and how best to fight the disease. For additional information, please visit us online at cancer.org/hopelodge.

When ordering a Gift of Hope, please enter Hope Lodge as both the recipient and business name with the delivery address for one Hope Lodge. When asked for "Location Type", please select "Business". You may leave the line for recipient e-mail blank.
